Subject: Paint Application Warranty

PAINT APPLICATION WARRANTY

Molina Applications LLC, as the certified paint applicator for this project, hereby warrants that all paint work performed at the above-referenced location was completed in accordance with the contract documents and the manufacturer's published specifications.

The work includes field-applied fluoropolymer coatings on storefront mullions and metal surfaces, along with all other designated paint finishes. All surfaces were prepared, primed, and coated in accordance with Sherwin-Williams/PPG product data sheets and under suitable environmental conditions.

Molina Applications LLC warrants that the paint application will remain free from peeling, blistering, flaking, or adhesion failure resulting from improper surface preparation or application for a period of two (2) years from the date of project completion.

This warranty covers labor and materials necessary to repair or reapply coatings on any verified workmanship-related paint failures within the warranty period. It does not cover damage due to substrate movement, abuse, environmental contamination, or lack of maintenance.

Manufacturer product warranties remain in effect per Sherwin-Williams or PPG standard terms and conditions.

Manufacturer: Sherwin-Williams / PPG
